SUBPART C: POLICIES

# Section 300.696 Infection Control EMERGENCY

- a) Policies and procedures for investigating, controlling, and preventing and testing for infections in the facility shall be established and followed. The policies and procedures shall be consistent with and include the requirements of the Control of Communicable Diseases Code (77 Ill. Adm. Code 690) and Control of Sexually Transmissible Diseases Code (77 Ill. Adm. Code 693). Activities shall be monitored to ensure that these policies and procedures are followed. A copy of the facility's infection control policies and procedures shall be provided to the resident and the resident's family or representative. Infection control policies and procedures shall be maintained in the facility and made available upon request to the Department, the Department's agent or the local health authority.
- b) A group, i.e., an infection control committee, quality assurance committee, or other facility entity, shall periodically, but no less than annually, review the results of investigations and activities to control infections. <u>Upon request, the</u>
